

Senior Recognition Ads

Make a lasting memory with 2011 Football Program Senior Recognition ads! Senior year is a milestone for teenagers—and their parents. It is the culmination of 13 years of schooling and countless hours of hard work, patience and struggle. As your football player walks toward graduation, a recognition ad in the 2011 Football Program is a great way to acknowledge their success, and your pride. In the future, seeing your message will bring a smile and memories of your love and support.

It's easy to create a Senior recognition ad. Place a copy of your favorite photo—past or present—and compose your own original message. This is truly an economical way to send your athlete a lasting message of your pride, love and congratulations. This is your chance to recognize your “Senior” Football Player, Cheerleader, Band Member or ROTC member. All ads in the 2011 football program will be in black & white only. There are three different sizes to choose from. We ask that you complete the Senior advertising form and return it with your check made payable to the PATRICK HENRY FOOTBALL BOOSTER CLUB. Should you have any questions and/or comments, they may be directed to:
